

Trochoid Oil Pump

International Sales of

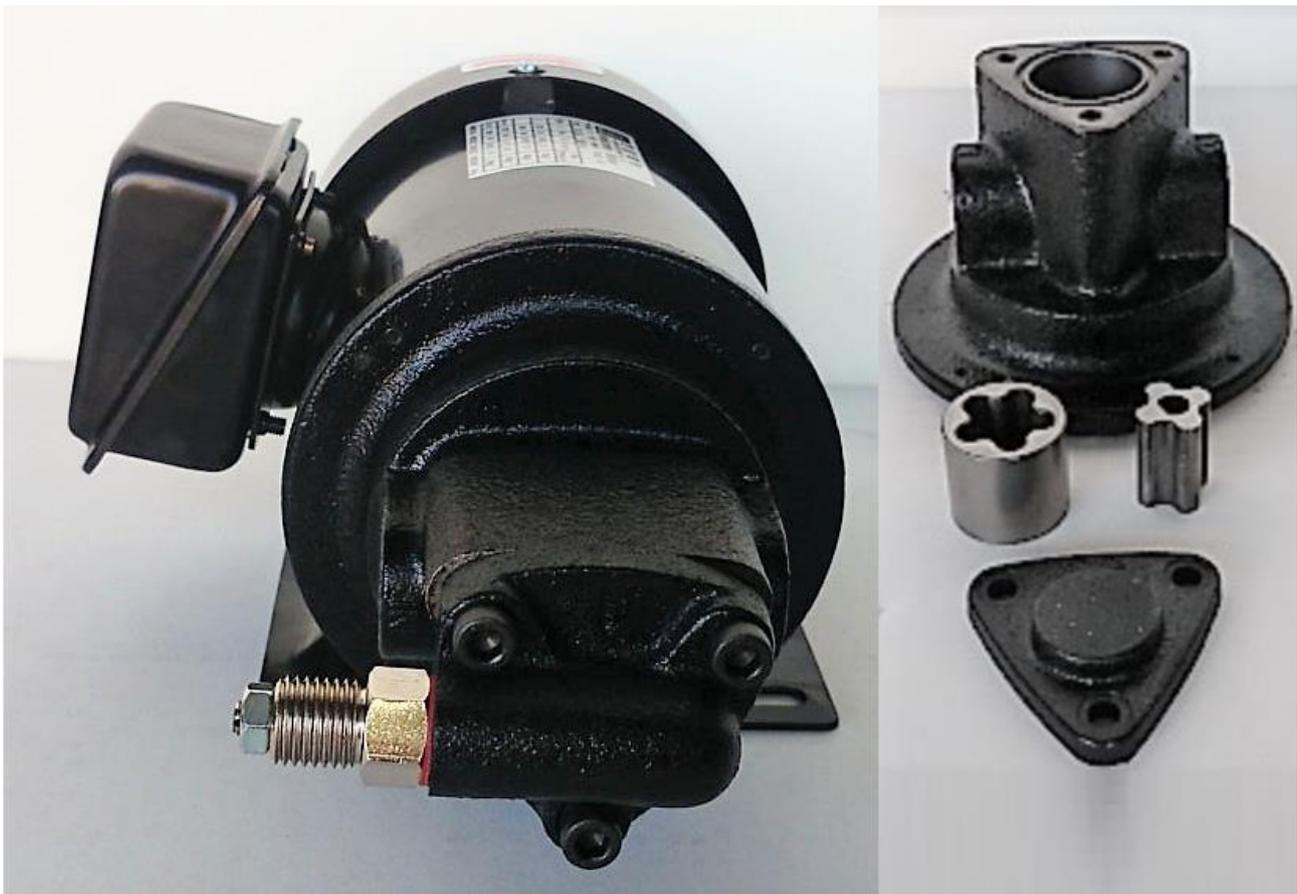

Product Description

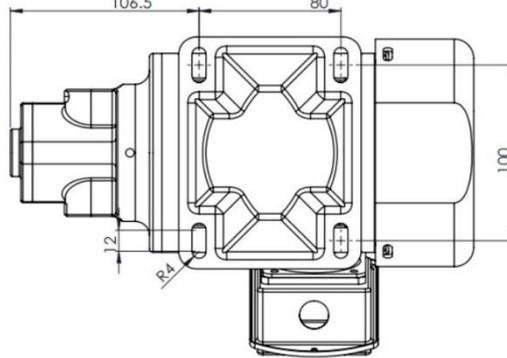

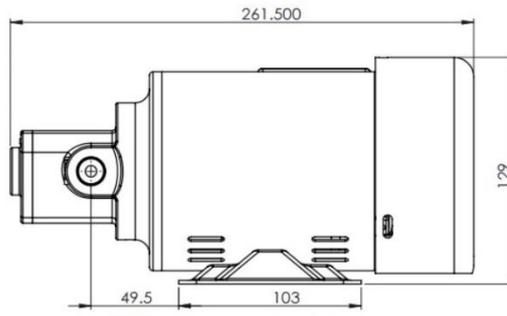

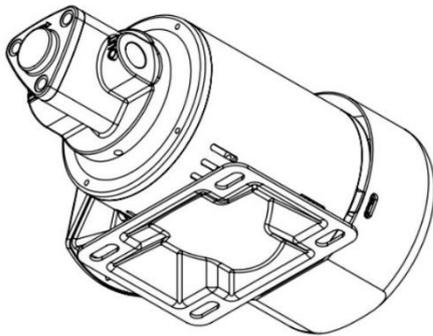

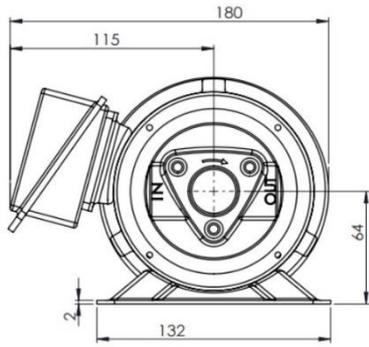

Trochoid Oil Pump: Trochoid Gear Pump, Rotary Oil Pump, Triangular oil pump or Oil circulation pump is the same product. It can be applied widely for lubricating or cooling in various machines, such as oil cooler or water chiller for CNC machines, knitting machines and planning machines.

Product Features

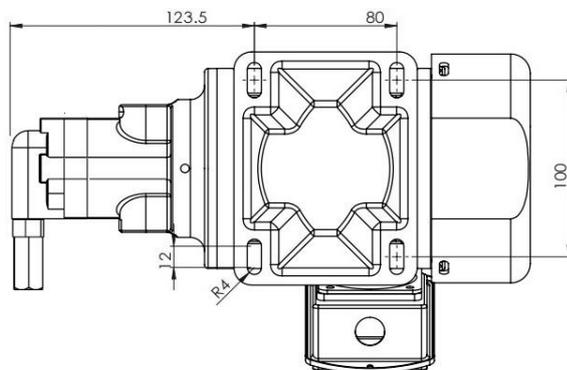

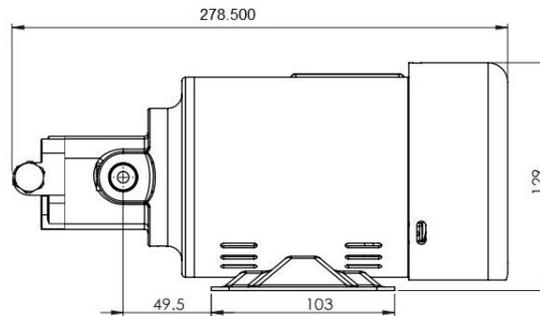

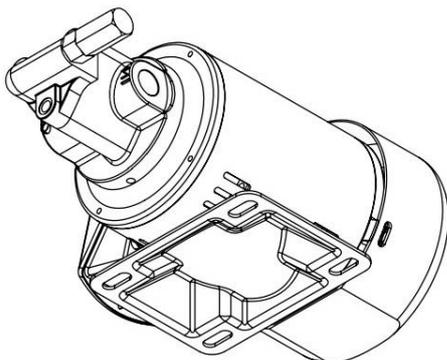

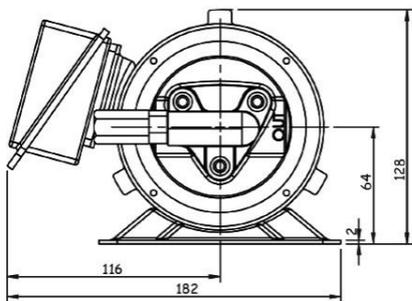

- 1/4 HP Horizontal Motor with one piece formed shaft reduce the tolerance.
- Adjustment model (TC-13AV & TC13AV_E) can provide variable output flow for suitable pressure.
- Extend shaft model (TC-13A_E & TC-13AV_E) for fan assembling requirements.
- Standard rotary diction is clockwise. Anti-clockwise is available by demanded.
- The suitable oil viscosity is R32~68cSt @ 40 °C ,and suitable operating temperature is 0°C ~ 90°C.

TITLE 圖名

TC-13AV_E 油泵合件

Model	Power in HP	L/min (50 Hz)	L/min (60 Hz)	Kg/cm ²	Discharge Bore
TC-13A	1/4	6.0	7.0	10 adjustable	3/8" PT(BSPT)
TC-13AV	1/4	6.0	7.0	3~10 adjustable	3/8" PT(BSPT)

- ※without adjustable pressure valve model is available (TC-13A)
- ※ with extension motor shaft model is available (TC-13A_E & TC-13A-V_E)

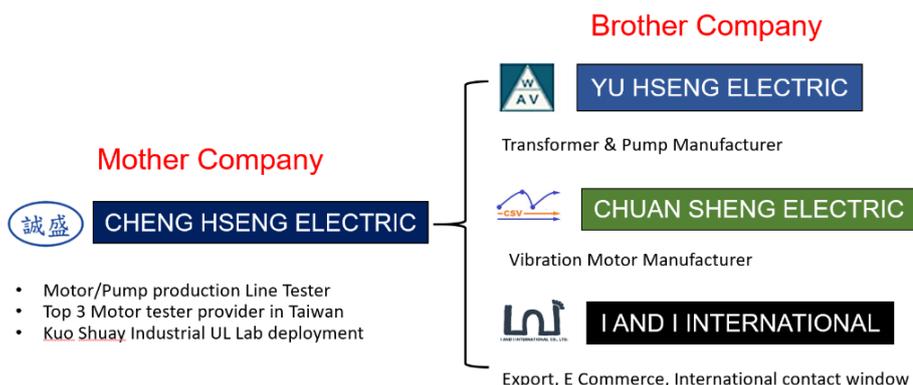

About I AND I

We, I AND I INTERNATIONAL CO. LTD. are introducing ourselves as an emerging supplier of industrial electric motors, transformers, and several other items. We have come here to offer the world-class Coolant Pumps, Vibrating Motor, Adjustable Transformers, Adjustable Voltage Transformer and other industrial machines. These machines are designed and developed as per the predefined industrial specification to ensure their high compatibility and quality.

Additionally, we use high-grade steel and other material to ensure the sturdiness and long working of the products.

Established in the year 2016, we are working as a Manufacturer (Chuan Sheng Electric, Yu Hsheng Electric, and CHENG HSENG Electric), Exporter, and Supplier of industrial motors and transformers. Our unmatched quality keeps us apart from other manufacturers and have helped us create our brand value in the market. Our all products are verified by CE for their functionality and reliable usage. Further, to control and manage all business operations, we have an experienced team of employees which works round the clock and perform their duties very well.
